Empowering, Inspiring and Growing Together

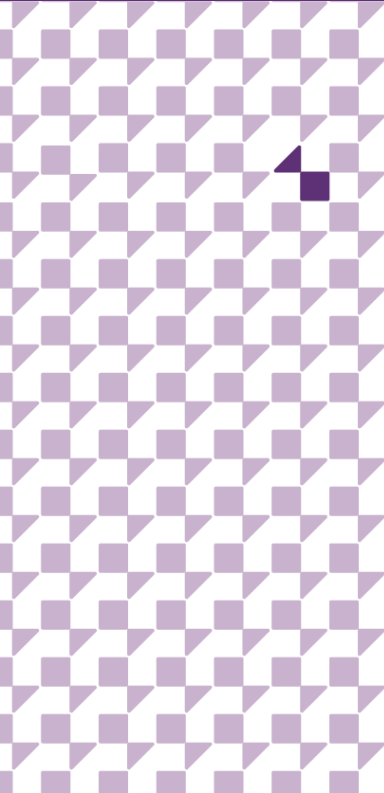

Empowering, Inspiring and Growing Together

Welcome to WforW, where women come together to elevate, inspire and grow through powerful shared experiences and development programs designed specifically for women by women.

We believe in the strength of community and the transformative power of mutual support.

In today's rapidly evolving business world, leadership requires more than just technical skills – it demands resilience, emotional intelligence and a network of trusted peers who understand your journey.

At WforW, we are not just encouraging and developing women leaders; we're building **key-shaped leaders** – women who are not only specialists but have the broad, adaptable skills necessary to thrive in any environment.

The WforW Experience

At WforW, we go beyond traditional leadership training. Our programs are designed for **deep, personal growth** — we help you develop not just as a leader but as a **whole person**.

We combine cutting-edge leadership theory with real-world application, ensuring that what you learn can be immediately implemented in your role.

Each program is designed to:

- **Empower You with Skills:** From strategic decision-making to conflict resolution, we cover all aspects of leadership that today's business environment demands.
- **Build a Strong Professional Network:** You'll form meaningful relationships with peers, mentors and coaches who are invested in your success.
- **Inspire Continuous Growth:** By focusing on both personal and professional development, you'll leave the program not only as a better leader but also as a more confident and authentic individual.

Join us on this journey of **growth, empowerment and transformation**. Our programs offer a unique opportunity to invest in yourself, build the leadership skills that will shape your future, and connect with an inspiring community of women.

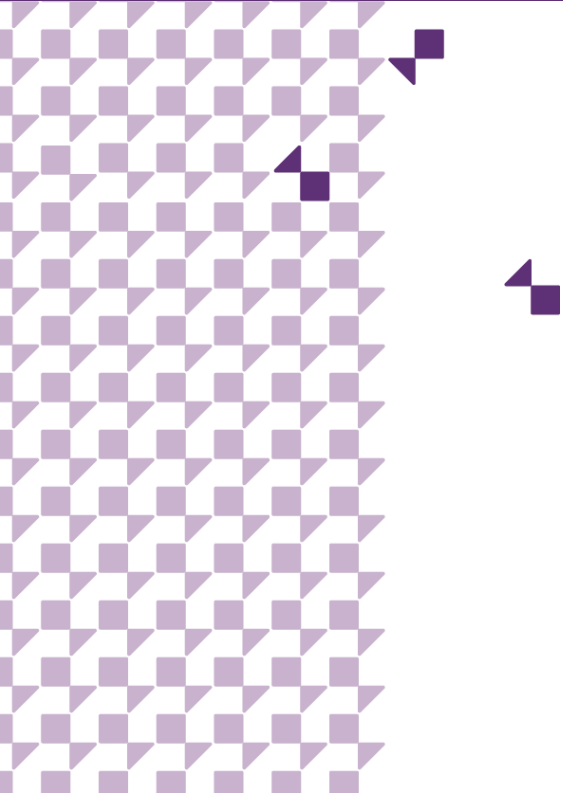

Programs Crafted for Every Stage of Your Journey

Whether you are a seasoned executive looking to refine your leadership skills or an emerging professional eager to step into a more influential role, the **WforW programs** are designed to meet you where you are and help you grow into the leader you aspire to be.

At **Women for Women**, we recognise that every woman's leadership journey is unique. That's why our programs are carefully tailored to support you through the distinct phases of your career.

From empowering mid-level professionals to providing a trusted community for senior executives, we focus on personal and professional growth that's aligned with your current challenges, aspirations and experiences.

Each program offers a **safe and supportive space** to reflect, share and develop the essential skills needed to lead in today's dynamic, often challenging business environments.

Whether you're navigating complex team dynamics, driving innovation or preparing for a career transition, we provide the tools and insights that will elevate you to the next level of leadership.

Program #1
Leading Women

PROGRAM #1 : LEADING WOMEN

The first of our programs is **For C-Suite Executives, Business Leaders and Senior Leadership Teams.**

For those already in senior leadership roles, the **Leading Women Program** offers a unique and intimate environment where you can **connect with fellow executives** who face the same high-stakes decisions and responsibilities.

Here, you are not just developing new skills – you are also gaining a **supportive peer group** who understands the intricacies and challenges of top-tier leadership.

- **Exclusive Peer Network:** Be part of a small, confidential cohort of up to 10 other executive women. Share experiences, navigate challenges together and build lasting professional relationships.
- **Deep-Dive Roundtable Discussions:** Five facilitated roundtables where no topic is off-limits. Tackle real-time challenges you face in your organisation – whether that's leading through a period of change, aligning teams across global regions or developing strategies for innovation.
- **Targeted One-on-One Coaching:** Receive personalised coaching throughout the year, tailored to your specific leadership goals. Our coaches help you to reflect on your leadership style, uncover blind spots and expand your influence.
- **Broaden Your Leadership Toolkit:** Gain access to cutting-edge leadership frameworks, models and best practices shared by fellow leaders and guest speakers.

This program is your opportunity to **sharpen your leadership edge** while being part of a confidential and trusted circle of senior female leaders who understand your challenges.

Program #2 Evolving Women

PROGRAM #2: EVOLVING WOMEN

The second program in the catalogue is **For Mid-Level Professionals Ready to Advance**.

If you're someone who has already made strides in your career and now feels ready to take the next step — this is the program for you.

The **Evolving Women Program** is specially designed to help mid-level professionals **develop the leadership skills, confidence and influence** needed to take on higher-level roles.

- **Leadership Skills Development:** Learn the skills that will set you apart — effective communication, negotiation, building influence and leading with emotional intelligence.
- **Practical, Real-World Focus:** This isn't just theoretical. You'll leave each session with tangible takeaways that you can apply to your current role immediately. Whether it's mastering difficult conversations, presenting to senior stakeholders or managing team dynamics, we equip you with the tools to lead with impact.
- **Expand Your Network:** Connect with women across industries who are also on a growth trajectory. Exchange ideas, share challenges and receive advice from others who understand your journey.
- **Interactive Development Workshops:** Our development sessions aren't about lectures; they're hands-on and interactive. You'll engage in group exercises, case studies and discussions that challenge you to think differently and act decisively.

By the end of the program, you'll have the **confidence and skillset to step into leadership roles** with a clear sense of direction and purpose.

Networking & Career Building Sessions

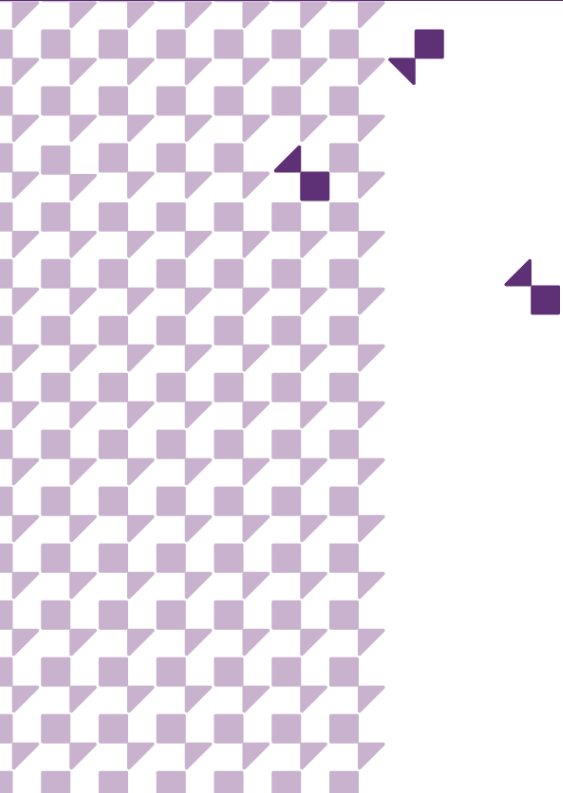

Across both programs, we place a strong emphasis on **networking and community-building**.

We believe that a powerful network of professional women is one of the most valuable assets you can have.

That's why, throughout the year, you'll have the chance to attend exclusive **networking breakfasts and evenings**, meet our alumni and other inspirational women and engage in candid discussions about the realities of leadership.

Our goal is to ensure you leave with not just new skills, but a **trusted network of allies and mentors** who will support you throughout your career.

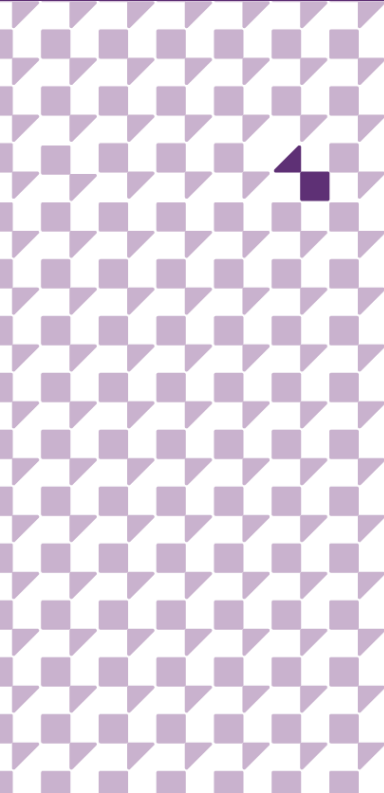

Exclusive Access & Support

At WforW, we prioritise **quality interaction and engagement**. Each intake is limited to ensure participants experience high-quality, focused sessions with personalised support.

Our goal is to cultivate an environment where you feel supported, heard and empowered.

This community is designed to give you not just tools and knowledge, but a lifelong network of powerful, inspiring women who are committed to supporting each other.

- **Inside-Out Growth:** Build your self-awareness, confidence and mindset through reflective coaching and personal goal setting.
 - **Outside-In Support:** Participate in peer-to-peer networking events, learn from inspiring leadership stories and receive real, constructive feedback from women who've walked in your shoes.
 - **Career-Building Focus:** Equip yourself with the skills, resilience and influence needed to thrive in today's fast-paced business environment.
